

Eolis Ghana

1 | About us

Eolis Ghana is a shipping agency, subsidiary of the Compagnie Fruitière Group, one of the major players in the country's fruit production.

We have an exclusive partnership with two operators, Africa Express Line (AEL) and Europe Africa Global Line Express (EAGLE), which provide regular connections between Africa and Europe throughout the year. With our experience in the fields of logistics and sea freight, our teams can handle all your shipping needs anywhere in the world.

The weekly departures provided by our ships allow us to meet all your deadline constraints, even the tightest. Whether you are looking for a partner for exceptional transport or for regular freight, you will find with us a reactivity, an attention to detail and anticipation capacities that only years of experience can guarantee.
